You will have to submit a request form and copies of your documentation to the Examinations Unit. All approved requests must be forwarded by the Examinations Unit to ASBOG no later than 90 days before the exam date.**

**General Information Regarding the Examination**

**1. Examination Admission Letters.** You may wish to send your scheduling form via certified mail if you require confirmation that Castle Worldwide, Inc. has received your scheduling form. Castle will send your admission letter approximately three (3) weeks before the date of the examination. The letter includes your registration number, the exam date and exact address of the exam location, and the time you must arrive to take the exam. If you lose your admission letter, or if it has not arrived 10 days prior to the exam date, contact Castle at 800-655-4845 or at 919-572-6880. Note that late arrivals to the examination site may not be allowed to take the examination and will not be allowed to make up any time lost.

**2. Items You Should Bring to the Examination Site.** Please bring your admission letter and a current government-issued photo ID with your signature (i.e., driver's license).

**3. No Guests are Allowed at the Examination Site.** Only scheduled candidates will be permitted inside the examination site. No visitors, including children, are allowed at any time in any examination room. No animals are permitted except service animals approved as part of a reasonable accommodations request.

**4. Testing Environment.** Every attempt, within reason, is made to ensure a quiet and comfortable testing environment for all candidates. However, last-minute needs and emergencies by building operators cannot be anticipated. We suggest that you bring appropriate clothing with you (i.e., a sweater) to help you adapt to a cooler or warmer climate in the examination room. Bring earplugs if you are very sensitive to noise distractions.

**5. Examination Results.** Castle will mail your examination results. All candidate scores are strictly confidential and will be released ONLY to the registered candidate by mail. Results will not be given to candidates by telephone, fax, or other means except by mail. If you haven't received your results by the end of three months, contact Castle at 800-655-4845 or at 919-572-6880. Unsuccessful candidates will be provided with re-examination information with their exam results.

**Please turn to the back of this page.**

**6. Items Allowed in Testing Room.** For security reasons, candidates may not bring books, notebooks, magazines, newspapers, cameras, luggage, cell phones, beepers, pagers, and other mechanical or electrical devices into the examination room. Possession of any such items may disqualify you from completing the examination. All personal belongings must be left outside the examination room at your own risk.

**7. Refunds.** Note that fees submitted for examination testing are **nontransferable and nonrefundable** unless the refund request meets one of the following conditions: 1) The written cancellation request is **received** at Castle at least 60 days prior to the examination date. 2) There is a family emergency, such as hospitalization or death in the family. An acceptable refund will be *partial*, as a \$40.00 processing fee will be withheld.

**8. Lunch and Parking.** Candidates are responsible for their own lunch and parking. Consumption of food and beverage is NOT allowed in the exam room.

**NOTE: Severe Weather Policy:** The examination administration will be held as scheduled, provided the examination center is able to be opened. If a test center's status is questionable due to severe weather or a natural disaster, the examination administration may be cancelled. If you are unsure as to whether your test site is open, contact the Castle office at 800-655-4845 or 919-572-6880.
