7 ATTESTATION

59.12 (b) The department may exempt an applicant or licensee from the coursework or training requirement of subdivision (a) of this section upon receipt of a written application for such exemption establishing that there would be no need to complete the coursework or training because the nature of the applicant's/licensee's practice excludes contact with children. It is the professional responsibility of the licensee who holds an exemption to notify the department in writing, within 30 days, when the nature of the practice changes to the extent that the basis for exemption ceases to exist.

I, the undersigned, have read regulation 59.12(b) above and the explanation on this form. I understand the terms and conditions contained therein, and hereby declare that the nature of my practice is such that I do not treat or otherwise have professional contact either with children under the age of 18 years or persons 18 years of age and older with a handicapping condition who reside in a residential care school or facility. Therefore, I claim an exemption from the required training in child abuse and maltreatment identification and reporting pursuant to Section 59.12, Regulations of the Commissioner.

I also understand that should the nature of my practice change to the extent that the basis for the exemption ceases to exist, I am obligated to notify the department in writing and complete the required training within 30 days.

I further understand that a false statement on this document may be cause for denial or loss of licensure and may result in criminal prosecution.
