

Licenses Issued, Past 5 Calendar Years

Professional Medical Physicists were first licensed in New York in 2003. An individual may hold more than one specialty title, but a separate license is required for each.

Professional Specialty	2019	2020	2021	2022	2023
Diagnostic radiological physics	7	5	8	4	10
Medical health physics	1	0	0	0	1
Medical nuclear physics	0	0	1	4	3
Therapeutic radiological physics or Radiation oncology physics	33	13	31	29	33

Geographic Distribution of Registered Licensees* as of January 1, 2024

Diagnostic Radiological Physics

* Location reflects the licensee's primary mailing address on record with the Office of the Professions; the address is not necessarily the licensee's practice address. Although licensees must be registered to use the professional title or to practice within New York State, being registered does not mean the licensee is actively doing so.
